

Material Safety Data Sheet

Non-Woven Beard Mask

1. Identification of the substance/company

Product Name: Non-woven beard mask
 Brand Name: Integrity Cleanroom
 Product Code: 600-3032

Product Use: Disposable beard mask for general use in food, industrial and medical applications.

Name of Supplier: Integrity Cleanroom

Address of Supplier: Integrity Cleanroom
 Integrity House
 Easlea Road
 Bury St Edmunds
 Suffolk
 IP32 7BY

Telephone: +44 (0) 1473 836 205

2. Composition / information on ingredient

Chemical Name	CAS Number	Hazard Class*	Risk Phrases*
Polypropylene Nonwoven Fabric:			
Polypropylene	9003-07-00	Not Applicable	Not Applicable
Calcium carbonate	471-34-1	Not Applicable	Not Applicable
Titanium dioxide	13463-67-7	Not Applicable	Not Applicable
Additives / dispersants	Propriety combination	Not Applicable	Not Applicable
Elastic:			
Polyisoprene	9003-31-0	Not Applicable	Not Applicable
Zinc carbonate	3486-35-9	Not Applicable	Not Applicable
Titanium dioxide	13463-67-7	Not Applicable	Not Applicable
Stearic acid	57-11-4	Not Applicable	Not Applicable
Calcium carbonate	471-34-1	Not Applicable	Not Applicable

*Hazard Class and *Risk Phrase. These columns are only completed for ingredients which are classified as hazardous under EU Directive (67/548/EEC, as amended) and are present in sufficient concentration to make the overall substances hazardous. In all other situations, the column will be completed as "Not Applicable".

3. Hazard Identification

Contact with eyes: None under normal conditions of use.
Contact with skin: None under normal conditions of use.
Inhalation: None under normal conditions of use.
Ingestion: None under normal conditions of use.

4. First Aid Measures

Eyes: No effects requiring first aid are expected during normal use. However, should irritation occur, flush with sterile water for at least 15 minutes. Seek medical attention should irritation persist.

Skin: No effects requiring first aid are expected during normal use. However, should skin irritation occur, wash with soap and water and seek medical attention. Do not continue to use the product.

Ingestion: No effects requiring first aid are expected during normal use. However if part of the material were ingested, do not induce vomiting and seek medical attention.

Inhalation: No effects requiring first aid are expected during normal use. If exposed to fumes received from decomposition products, remove the patient to fresh air. Seek immediate medical attention.

5. Fire Fighting Measures

Flammability: Not readily combustible.

Products of Combustion: The products of decomposition are hazardous and consist of carbon dioxide, carbon monoxide, and hydrocarbons.

Fire fighting media: Water spray, dry powder, carbon dioxide.

Inhalation of fumes must be avoided. Fire fighters should wear the appropriate breathing apparatus and adequate eye protection.

6. Accidental release measures

Clean up methods: No specific actions are required. Collect the spilled product and dispose in an appropriate standard waste disposal container.

7. Handling and Storage

Storage precautions: Store in a cool, dry area away from direct sunlight and sources of ignition.

Storage temperature: Store between 5°C and 25°C to maintain product integrity.

8. Exposure Controls

Exposure: No specific protection required for handling this product.

9. Physical and chemical properties

Physical state: Solid fibre beard mask

Colour: White

Odour/taste: None

10. Stability and reactivity

Stability: Stable

Hazardous Decomposition: Carbon dioxide, carbon monoxide, and hydrocarbons.

11. Toxicological information

Health warnings: No specific health warnings noted

Effects on humans: None under normal conditions of use.

12. Ecological information

Toxicity: The product is not readily biodegradable.

13. Disposal consideration

Disposal methods: Dispose of at approved landfill sites, or by high temperature incineration, using licensed contractors. Disposal must be in accordance with local authority and national regulations.

14. Transport information

Label for conveyance: No transport warnings required; not classified as hazardous

15. Regulatory information

Label for supply: Not classified

Risk phrases: Not applicable

Safety phrase: Not applicable

Symbols: None

This product meets the provisions of the Personal Protective Equipment Directive,
89/686/EEC – Category I Simple Design.
